September 24, 2014

Sessions at 12-1:30PM or 4:30-6PM.

To reserve your seat visit http://goo.gl/2K8F8q

or follow this QR Code by September 22 at 5pm

Learn how Kohler designs products and services with sustainability in mind, then try it out for yourself with an interactive team challenge.

Hors d'oeuvres will be provided.

Meet representatives and learn more about future career and co-op opportunities.

Brought to you by:

ASME Setting the Standard

and Michigan Tech Sustainable Futures Institute
