Join Our Mailing List:
Join our mailing list today and receive our newsletter, general updates, GOemployer news, Jobs Bulletin, or as a Communications Partner! You can also sign up to receive updates regarding GO-Registry, or to represent GTRI at your University as a GO-Ambassador. For more information, click HERE.

GOregistry:
GOregistry is a database of international students interested in obtaining internships or jobs through CPT, OPT, or employer sponsored visas. The purpose of GOregistry is to connect international students with employers who hire foreign national applicants for these positions. To learn more and to register, click HERE.

GTRI
GLOBAL TALENT RETENTION INITIATIVE
OF MICHIGAN

GTRI is the first program in the United States developed to retain international student talent as a strategy for economic growth. The goal of GTRI is to provide international students and Michigan employers with training and resources on relevant immigration regulations, finding a job and working in Michigan, and the cross-cultural issues that both employers and international applicants may experience during the hiring process.
