

Perrigo Undergraduate Fellowship

The perfect match for students in chemistry, biology, biochemistry, pharmacy, engineering or related fields

The Perrigo Company and the University of Michigan Life Sciences Institute (LSI) offer summer fellowships to highly qualified undergraduate students currently enrolled at any university or college in Michigan.

- Immersion in a unique collaborative and interdisciplinary scientific community
- Hands-on experience with world-class researchers in a designated lab in the LSI
- Fellows will receive a \$3,000 stipend for ten weeks, plus housing support

Fellowship dates: June 15 - August 21, 2015

Application deadline is February 20, 2015

Visit www.lsi.umich.edu for details and application materials
