Michigan Technological University Enterprise 'Above and Beyond' Scholarship

DESCRIPTION:

The Enterprise 'Above and Beyond' Scholarship is available to eligible undergraduate and graduate students (see criteria below) enrolled in the Enterprise Program at Michigan Technological University. The scholarship is intended to recognize those students whose participation in their Enterprise team goes 'above and beyond' the norm.

The Enterprise Program Office will make available up to \$2,500 in 'Above and Beyond' scholarships for the current academic year. The Enterprise Governing Board will administer the selection process and notify recipients. Scholarship levels are determined as follows:

- \$750 for students who are < 12 credits OR > 18 credits*
- \$300 for students who are taking 12-18 credits**

*The Enterprise Program Office provides \$500, and the applicant's Enterprise team provides \$250.

**The Enterprise Program Office provides \$150 and the applicant's Enterprise team provides \$150.

Scholarship recipients will be required to pay the tuition up front and can then request reimbursement from the Enterprise Program and their enterprise team any time after the last official drop date of the semester (a list of dates for each semester can be found here: mtu.edu/registrar/students/registration/add-drop/)

ELIGIBILITY CRITERIA:

1. Applicant is enrolled in ENT4961 and is not using ENT4961 to satisfy any degree requirements
OR
2. Applicant is enrolled in ENT5950 or ENT5960 and was enrolled in the Enterprise Program as an undergraduate student
OR
3. Applicant is enrolled in an ENT project course other than above and exceeds the 18-credit plateau tuition
