Sponsorship Project Presentation
Michigan Technological University – Fall 2016
Sponsored by Cummins Inc.

Presentation Guidelines

- Each team needs to create a 10-15 min. video presenting their case for funding
- We encourage all teams to keep the presentations concise and to the point

Presentation Outline

Team Introduction

Project Background

- What is the scope of the project?
- What is the desired outcome of the project?

Current Project Status

- Schedule/Key dates
- Describe any hurdles and how were they handled

Strong and cohesive proposal about why sponsorship is needed

- What will the funding be used for specifically?

Outcome/Conclusion from the Project

- What is the predicted outcome of the funding? (Use data to support the claim)
- Describe possible shortcomings due to lack of funding. (What is your Plan B?)
- What is the planned future work?
- What is the Follow-up plan if the funding is granted?

For more information or to submit your video please contact Joe Thompson (josephth@mtu.edu) in the Pavlis Honors College. Deadline for submissions is 11/4 at noon.
