## Help AMA raise money for Michigan Youth in Government

**Michigan Youth In Government (MYIG)** is a Conference where High School Students enact as an actual government. They write bills and proposals about Michigan's current issues and debate on those issues. They also run for leadership positions such as: Governor, Lt. Governor, Speaker of the House, Lobbyists, Senators, and Representatives.

**Problem:** Students put time and effort to prepare for this conference. A great amount of students even have this preparation as a class. Most of the time, when students do not attend, is due to a financial burden. The students deserve to be rewarded for their hard work.

**Any donation is appreciated. Thank you in advance!**
