

Fall Pre-Fair Events

CAREER FAIR

Fall 2026

The night before career fair is an excellent time to engage with students. These are our recommendations to maximize your time on campus.

3:00 - 5:00 PM

Open Air Info Session Timeslot

We recommend casual interactions with students on the campus mall.

- Self-Service Tables
- Weather Dependent - No rain location
- No electricity provided

5:00 - 7:00 PM

SWE Evening With Industry (EWI)

EWI is an annual event hosted by the Society of Women Engineers the night before the Fall Career Fair. EWI provides a relaxed environment where students and corporate representatives can interact before the career fair.

5:00 - 9:00 PM

Suggested Info Session Timeslots

Create an Info Session for students. Request a room for your event in Handshake.

- All room requests must be made at least 2 weeks before the Career Fair to ensure processing
- Career Services cannot promote your event given the large number of companies on campus

Use "Create an Event" on Handshake

3:00 - 8:00 PM

Mixers

Departments across campus have recruiter/student mixers.

- These events are by "invitation only".
- Your Career Fair registration information is used to determine appropriate mixers
