

# Evening *with* Industry

September 26, 2017. 5:00pm - 8:00pm

## What is Evening with Industry (EWI)?

Evening with Industry is a yearly corporate - student networking event hosted by our Michigan Tech SWE Section. There will be 100 company representatives attending and eager to speak with students about their company and job opportunities!

Students have the opportunity to network with their target companies during a social hour and sit-down dinner.

## What does it cost?

It's FREE! Thanks to generous company and campus sponsors, you will get to attend the event for free. If you do not show up though, you will be charged \$25 for the plate of food that was wasted. Don't wait, space is limited!

## How do I register?

**Link to registration:** <https://swe-mtu.squarespace.com/ewi/>

**Signing up soon** is key to increasing your chances of sitting with your desired companies! Company selection priority is determined by the time stamp on your purchase. **So, SIGN UP ASAP!**
