RE: Transportation Scholarships

Dear Chapter Advisors:

The Michigan Section of ITE is offering four \$3,000 scholarships for its 26th Annual Scholarship Program. These scholarships are for both graduate and undergraduate students.

Each interested student must complete the attached application, prepare a one-page double spaced paper on "My Future in Transportation", and submit both to you. I ask that each student provide a short biography (150 words or less) and a photo so that the winners can be recognized in the MichiganITE newsletter. Students are encouraged to include a one-page resume with their application. You will then review the student's application, fill out the Professor / Advisor form, and send them electronically to me, no later than December 14, 2018.

It is required that the students are **currently members of both the Michigan Section and International ITE.**

Please make copies of the application forms, and distribute to the interested students. If there are any questions regarding the scholarships, please let me know.

Sincerely,

Tim Haagsma, Chairman

Education-Scholarship Committee

Cc: Bill Savage, Lia Michaels, Scott Shogan

MICHIGAN SECTION

Application for \$3,000 Scholarship (4 available)

Due Date: December 14, 2018

Procedure

Applicant for Scholarship must currently be a student member in International ITE and the Michigan Section, and be enrolled in the university.

The applicant must complete this form and independently write a **one page (double spaced)** paper on:

“My Future in Transportation”

Applicant must submit this completed form and paper to a Professor, or Student Chapter Advisor (must be an ITE Member). The Professor or Advisor will review the applicant’s form for accuracy, complete the Professor/ Advisor form, and send both forms and the paper to Tim Haagsma, Chairman of the Michigan Section Education-Scholarship Committee.

Note: Students are encouraged to include a **one-page resume** with their application.
