

Staff Engineer Job Description

As our Staff Engineer, you will strengthen communities through infrastructure improvements. Every day, you will positively impact the communities in which we live and work, achieve extraordinary results for our customers, and work on a wide range of civil engineering projects. To thrive in this job, you must be a motivated, personable Engineer who is ready to support our clients, primarily in Mid and West Michigan.

In a typical day, you might...

- Perform field visits to assess site conditions for preliminary engineering reports and project scoping.
- Analyze design alternatives to help present clients with the best solutions.
- Assist in all design phases of municipal, county drain/water resources, site development, roadway/pathway, and water distribution projects.
- Generate cost estimates, easement drawings, construction drawings, assessment rolls and construction specifications.
- Use AutoCAD Civil 3D.
- Work as part of a team and independently.

About Us

Eng., Inc. is an award-winning Civil Engineering and Surveying firm working primarily for Michigan municipalities on projects including streets, water and sewer infrastructure, sidewalks, pathways, and parking lots, and Drain and Water Resources Commissioners on storm water management and complex water resources projects, having received multiple MACDC awards. We offer varied opportunities for experience, growth, professional development, leadership, and ownership in a flexible team-based culture. It's hard to quantify our passion for mentoring, training, coaching and inspiring engineers to reach their full potential. Our competitive benefits package includes medical, life, short term and long-term disability insurances, HSA accounts, 401(k) plan, bonus structure, and paid time off for holidays, vacation, and sick time.

Legal stuff

We are an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to, among other things, race, color, religion, sex, sexual orientation, gender identity, national origin, veteran, or disability.
