

RESEARCH EXPERIENCES FOR UNDERGRADUATES

VIRTUAL RECRUITMENT EVENTS

November 15th, December 13th, *or* January 24th, 5:00-6:00 pm Central

2022 NHERI REU cohort in front of NHERI@UTexas T-Rex mobile shaker.

Are you interested in natural hazards research from an engineering or social science perspective? Did you know most participants in the NHERI REU Program have not participated in research before their summer experience?

Learn more about National Science Foundation's NHERI REU program.

The NHERI Research Experiences for Undergraduates (REU) program offers funded research opportunities at 11 multi-hazard engineering sites during a 10-week summer research program.

Study earthquake, wind, tsunami, coastal engineering, data management, cyberinfrastructure, post reconnaissance, simulation, or social science topics. Travel funding provided, a housing subsidy, and a \$5000 stipend for the 10-week summer program. Underrepresented minority, women, and military veteran undergraduate students are encouraged to apply.

Attend the one of three **REU Virtual Recruitment Events** on Tuesday, November 15th, December 13th, *or* January 24th, 5:00 – 6:00 pm Central Time. [Register today online](#). Hear from 2022 NHERI REU Alumni and learn about a typical day, funding, and the application process.
