

Engineering Ambassadors at Michigan Tech

Our Mission: Through **communication** and **leadership**, we strive to become well-rounded engineers by **motivating the next generation** to improve our world.

- Create and present your own STEM topic with a hands-on activity to a real audience at local K-12 schools!
- Excite and inspire local K-12 students to pursue STEM!
- Improve your resume with this outreach experience while gaining communication skills in this service learning opportunity!
- Minimal time commitment – 1 hr per week – make a **HUGE** impact!

**JOIN US AT OUR MEETINGS -- MONDAYS AT 7 PM
IN FISHER 131 – NEXT MEETING MONDAY 1/27**
