

Senior Design Colloquium

DEPARTMENT OF CIVIL,
ENVIRONMENTAL, AND
GEOSPATIAL ENGINEERING

FRIDAY, DECEMBER 12, 2025
9:30 AM – 12 PM | DOW 641

The Civil, Environmental, and Geospatial Engineering Department is pleased to invite the University community to attend the fall 2025 senior design team presentations. This semester students have undertaken a wide range of projects to fulfill the Department's senior design requirement.

Dow 641

US-41 OVER WEST BRANCH WHITEFISH RIVER AND HUBER CREEK BRIDGE REHABILITATION PROJECTS

THESE PROJECTS ARE VITAL COMPONENTS IN ADDRESSING BOTH REGIONAL
TRANSPORTATION AND ENVIRONMENTAL CHALLENGES, WHILE ALSO IMPROVING THE
QUALITY OF LIFE AND SUSTAINABILITY IN THE COMMUNITY.

ADVISOR: MS. ANDREA ANDRES P.E
