

2020 UNDERGRADUATE RESEARCH SYMPOSIUM

March 27, 2020

Rozsa Center Lobby 11 a.m.-5 p.m.

Call for Abstracts

Undergraduate researchers and scholars from all colleges are invited to submit abstracts for presentation at the Michigan Tech Undergraduate Research Symposium.

The symposium gives undergraduate students the opportunity to:

- present posters describing completed or ongoing research
- receive feedback from faculty judges
- learn from experience

To submit an abstract visit mtu.edu/honors/research/symposium and follow the instructions provided.

Applications will be accepted through February 24, 2020. If you have any questions or have difficulties submitting an application, please feel free to contact us at honors@mtu.edu

We look forward to seeing your abstracts and presentations!
