

WANT TO BECOME AN EMT?

Michigan Technological University Emergency Medical Services

Students will complete 184 classroom hours that covers basic life support training for pre-hospital emergency medical care. Topic areas include legal and ethical issues to anatomy and physiology. Students will also complete a minimum of 40 clinical hours with Mercy EMS and Aspirus Keweenaw Hospital

Upon successful completion of the MTU EMS Program, students will be trained to a level that meets or exceeds the National Standards Curriculum and the State of Michigan Education requirements. Those accepted into our competitive EMT class will receive top of the line training in exchange for 1 year of service with MTU EMS.

MTU EMS is an all volunteer organization providing year round coverage to the MTU Campus and surrounding community. We are seeking students with a desire to serve others in times of need, willingness to learn and grow, as well as appropriate time available.

Information sessions will occur on:

- **March 2 from 5-6pm in Fisher 132**
- **March 3 from 5-6pm in Fisher 325.**

Eligibility:

- GPA 2.50 term and cumulative
