

MULTIPLANETARY INNOVATION ENTERPRISE

Information Session

Multiplanetary INnovation Enterprise (MINE) would like to invite you to our two information sessions for the Spring 2024 semester. We will be presenting our three projects as well as answering any questions you may have about our enterprise. Applications will be available after the presentation.

When: March 18th and 19th from 5 - 6 PM

Where: MEEM 112

What is MINE?

MINE focuses on working in multidisciplinary groups to develop technology to perform tasks in extreme environments on Earth and on other planets. Our enterprise is comprised of three projects, DIVER, Lunabotics, and Trencher. Check out our website [here](#) for more information.

feel free to contact jaunser@mtu.edu with any questions or concerns.

Michigan Tech

Looking forward to seeing you there!
