

SUMMER OPPORTUNITY IN COMMUNITY SUSTAINABILITY

Apply online by January 29, 2025

2025 CATALYST LEADERSHIP CIRCLE FELLOWSHIP

Selected through a competitive application process, Catalyst Leadership Circle Fellows come from academic institutions across the state. During the program, they help local governments take tangible steps toward their sustainability goals while creating shareable deliverables. The program, located in Ann Arbor, will run from **May 19-July 25, 2025**.

The Catalyst Leadership Circle Fellowship is supported by the State of Michigan's Department of Environment, Great Lakes, and Energy's Catalyst Communities Program and administered by the Graham Sustainability Institute at the University of Michigan.
