

# *Kick-off and Info Session*

# **EV Scholars: The Next Generation of EV**

## **February 1 • 5 p.m. • Virtual**

**Want to help develop the next generation of automotive vehicles and batteries?**

Here's a fantastic opportunity to learn more about the EV industry and EV-focused companies and careers, network with potential employers ... and receive a \$10,000 scholarship.

Find the Zoom link at [blogs.mtu.edu](https://blogs.mtu.edu).

*Michigan Tech juniors and seniors majoring in Software Engineering, Computer Science, Cybersecurity, Computer Network and System Administration, Electrical Engineering, Computer Engineering, and related programs are especially encouraged to participate.*
