

For Early Childhood Educators

For teachers and early childhood educators of children ages 3-7

Growing Up WILD & **Project Learning Tree-Early Childhood** builds on children's sense of wonder about nature and invites them to explore wildlife and the world around them through a variety of activities and experiences. All participants will receive a copy of *Growing Up Wild* 128-page activity guide with 27 multi-disciplinary activities and the *Project Learning Tree Early Childhood Guide*.

Friday, April 12
