

2019 Water Festival

at MTU's Great Lakes Research Center

FREE for 9-12th grade students in CCISD & GOISD

Science & Engineering
STEM Careers
Great Lakes Stewardship

Registration is open! Teachers can register 9-12th grade classes to attend an exciting array of activities that will increase students' knowledge of Great Lakes science, engineering, careers, and more! During each half-day session, students attend four 35-minute activities.

Choose one session to attend:

Morning: 8:45 - 11:30 am
Afternoon: Noon - 2:50 pm

The Water Festival is designed to: offer engaging standards-based experiences taught by MTU scientists, graduate students, and community experts involved in Great Lakes research and STEM career fields. Activities will span content areas, providing hands-on learning opportunities for students.

Register Early!

(space for 15 classes per session)

Register online [HERE](#)

Or go to: cseo.mtu.edu

Please indicate:

- ✓ Teacher name and school
- ✓ Grade level
- ✓ Class size
- ✓ Morning or afternoon session
