

Purchase A Lake Superior Floor Map – \$600!

An excellent educational tool for use with K-12 Teachers, Students & Communities

Why?

The Great Lakes impact our lives in many ways---from drinking water, growing food, creating the weather, manufacturing products, atmospheric deposition of pollutants, transporting goods and natural resources, and global warming. Lake Superior contains 50% of the water in the Great Lakes---which equates to 10% of the world's freshwater and **nearly half of the United States' and North America's freshwater**. These canvas floor maps are an effective way to engage students in learning about Lake Superior and understanding the watershed concept.

For Whom?

Lake Superior floor maps are a terrific teaching tool for K-12 schools, museums, and education centers throughout the Lake Superior watershed: Minnesota, Michigan, Wisconsin, and Ontario. Anyone can order the map, and there are NO requirements for holding workshops, acting as a lending site, nor maintaining and submitting records.

What's Included?

- **Lake Superior Floor Map:** 9' x 12' canvas cloth on which has been painted Lake Superior and the boundaries for Canada and United States, WI, MI, MN and Province of Ontario. (Vinyl map available for \$500)
- Clear plastic storage tub
- Map Bar Scale (1) and Compass Rose (1)
- Laminated labels for: Lake Superior, Countries (2), States (3)/Province (1), Cities/Towns, watershed rivers (22)
- Yarn to form watershed drainage divide
- Lake Superior Maps (8) to identify river locations and cities
- Lesson Plans:
 1. "Lake Superior Watershed Floor Map Activity" from Western U.P. Center for Science, Mathematics and Environmental Education
 2. "More Than Just a Lake" from *Lake Superior K-8 Curriculum & Activity Guide*
 3. "Cooperative Clean Up" from *Lake Superior K-8 Curriculum & Activity Guide* (with supplies: cans, hose, string)
 4. "Lake Superior Geography Concentration" from *Lake Superior K-8 Curriculum & Activity Guide* (with 48 matching cards)
 5. "Lake Superior Circle of Life" from *Lake Superior K-8 Curriculum & Activity Guide*
