

Sustainability Film Series presents: **Saving Snow**

7:00-8:30 pm, Thursday, March 19

LOCATION: Hesterberg Hall, MTU Forestry Bldg.

COST: FREE; but donations welcome!

Enjoy refreshments (save a dime, bring a mug!) & facilitated discussion

A 2018 documentary about the economic impacts of warming winters. The film tells about the cancelled 2017 Birkebeiner, effects on the downhill ski industry, and includes interviews with U.S. Olympic skiers.

Discussion Facilitator: Dr. Stephen Handler, U.S. Forest Service

Refreshments provided by Great Lakes Research Center
and the **World Water Day Planning Committee**

Cosponsored by Lake Superior Stewardship Initiative, Keweenaw Land Trust, Keweenaw Unitarian Universalist Fellowship, MTU Great Lakes Research Center, Sustainable Futures Institute, and Department of Social Sciences

**Great Lakes
Research Center**
Michigan Technological University
