

Illinois Association of Highway Engineers

April 2, 2024

Attention: Dean of Engineering

With an interest in promoting the engineering profession and assisting students to further their career, the Schaumburg Chapter of the Illinois Association of Highway Engineers is offering the Grant Shaw Memorial Scholarship consisting of a one-thousand-dollar (\$1,000.00) cash scholarship to a qualified candidate. Applicants for this award must be enrolled as a full time undergraduate or graduate college student at an accredited college or university majoring in a transportation related field. To be eligible for this award, a candidate must qualify for at least junior class status as of September of this calendar year. The selected candidate shall be notified in writing and invited to attend the IAHE Schaumburg Chapter Golf Outing Dinner on July 11th.

In addition, the State Board is awarding three scholarships this year. Our Chapter will recommend one student for each of these awards. Additional information concerning each of the scholarships (particularly eligibility status and deadline) and corresponding application forms are enclosed. Please feel free to reproduce additional application forms as you deem necessary and notify qualified students that you would support as recipients of this award. Applications will only be accepted via email. All applications must be received by the Schaumburg Chapter no later than **June 15, 2024**.

We appreciate your help in assisting us to find a deserving individual for this scholarship. If you have any questions, please contact me at iahe.scholarships@gmail.com.

Sincerely,

Mr. Joseph Cross

GRANT SHAW MEMORIAL SCHOLARSHIP GUIDELINES

The Schaumburg Chapter of the Illinois Association of Highway Engineers will be awarding a \$1,000.00 scholarship grant in accordance with the following guidelines.

Candidates for this award must be enrolled as a full-time undergraduate or graduate college student at an accredited college or university majoring in a transportation related field. The annual award will be made in Summer of each year. To be eligible for this award, a candidate must qualify for at least junior status as of September 1, 2024.

Selection will be made on the basis of 100 merit points and preference points.

- 50% of the total merit points constitute the applicant's college or university grade point average.
- 40% of the total will be based on a one-page typewritten statement by the applicant. The statement should outline the applicant's qualifications and career goals as they relate to the transportation field. The statements will be graded independently by each committee member and the scores averaged.
- The remaining 10% will be based on the letters of recommendation from the college or university, previous work employers or others detailing the applicant's activities, professional or charitable work.
- Preference points over and above merit points will be granted in the following ways:

<u>If Candidate is:</u>	<u>He/She Receives:</u>
Chapter Member	15 points
or	
Child or Spouse or Sibling (brother or sister) of Chapter Member and/or	10 points
Department Employee or	5 points
Child or Spouse or Sibling of Department Employee who is not a Chapter Member and/or	3 points
Lives in District One Geographical Area and/or	3 points
Recommended by two or more Chapter Members <i>(If four recommendations – credit for 3 points only)</i>	3 points

- An award recipient must attain at least 80 points before scholarship can be granted.
- If no qualified candidates have applied, then the scholarship will be carried over to the following year. Two (2) scholarships may then be awarded or the amount may be increased.
- Applicants can only be awarded the scholarship one time (no repeat winners).

All applicants must submit a completed application form along with the one-page typewritten statement and any letters of recognition. Candidates must also submit an up-to-date official transcript of their class grades.

The Candidate's application **must be** received by the Scholarship Committee at iahe.scholarships@gmail.com no later than **June 15, 2024**.

If you would like more information you may contact Joseph Cross by email at iahe.scholarships@gmail.com.

SCHOLARSHIP AWARD PROGRAM

In furtherance of the objectives of the Illinois Association of Highway Engineers (IAHE), as stated in its Bylaws, to advance the professional reputation of the organization and its members and to promote the engineering profession, a scholarship award program has been established. Three scholarships are awarded each year: The IAHE Scholarship, the Loftus J. Collamore, Memorial Scholarship, and the State Board Scholarship.

The attached application form and all required documents should be used to apply for any of the three scholarships. The Scholarship Committee will review the applications and determine which scholarships a candidate is eligible for. Please note that multiple scholarships will not be awarded to the same person in the same year.

Applications shall be made through the local chapters. Each chapter may select one applicant for each scholarship to submit to the IAHE Scholarship Committee for consideration in accordance with the eligibility and selection criteria on the following page.

The deadline to submit applications is **Thursday, June 15, 2024**. Any additional materials received may also be included along with a statement by the Chapter of any personal knowledge they may have of the candidate, of his or her parents, especially in regard to activity in support of local agency activities.

The Scholarship Committee shall consider each candidate and make a selection in accordance with the above guidelines. In case of a tie, the selection will be made by blind draw from amongst those tied. The selected candidate for each scholarship shall be notified, in writing, and if state and local social distancing guidelines allow, invited to attend the annual IAHE Conference in the Fall where the scholarships will be presented.

Members of the IAHE Scholarship Committee and their immediate families shall be ineligible to receive these scholarships during their service year. Previous recipients of a scholarship are ineligible for applying for the same scholarship a second time.

In case of default of the conditions of a scholarship by the designated recipient thereof, the Scholarship Committee may select an alternate or carry over the award to a subsequent year.

Sincerely,

Corey J. Smith
