# STUDENT SCHOLARSHIPS

Are you a college student who is on the hunt for scholarships to help with school? Along, with an interest in working in the Minnesota transportation infrastructure industry? If so, you're in the right place! Since 1953, MSES has provided over 1.67 million dollars to more than 1,100 college students.

## WE WANT TO HELP PAVE YOUR WAY

MSES is a non-profit, professional organization dedicated to investing in Minnesota transportation infrastructure professionals. By attracting and building tomorrow's leaders, connecting and engaging professionals, and developing and growing meaningful relationships, MSES is vital to the future and growth of Minnesota's transportation infrastructure industry.
