

Sign up for a STEM CAREER TOUR at MTU

SCIENCE, TECHNOLOGY, ENGINEERING, MATH

Field Trips offered April 20–May 15

Visit a variety of science, engineering, and computer labs at Michigan Tech and participate in presentations and hands-on activities led by MTU students, engineers, and scientists to kick start students' planning for careers in STEM.

Select Topics / Labs to Visit

- Green Building & Low Impact Design
- Energy & Environmental Sustainability
- Human Monitoring Devices / Driving Simulator
- Scanning Electric Microscope
- Vehicle Design
- Forestry & Biomaterials
- Wildlife Ecology & Research
- Stream & River Mechanics Lab
- Rhizotron & Underground Processes
- Remotely Operated Vehicles
- Bionic Arm / Mechanical Engineering
- Transportation Engineering
- Exercise Science
- Geology & Mining Engineering

Register Early!

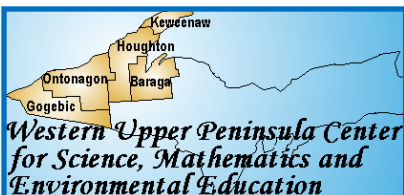

Bus travel stipends and sub teacher reimbursements available to first 10 to register!

Register online:
