

GENCYBER

CYBERSECURITY TEACHER CAMPS

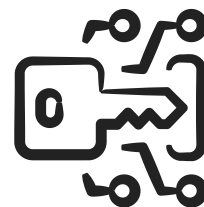

June 20 - 24, 2022

MICHIGAN TECHNOLOGICAL UNIVERSITY

Join us for a weeklong exploration in cybersecurity and computer. Learn about real-world topics, including:

Cyber Ethics
Email Phishing

Password Cracking
K-12 Integration

Open to middle / high school teachers. Live-in or commute.
Meals and lodging are provided.

Teachers get a stipend of \$600, plus a Raspberry Pi computer.

The camp is free to all participants!
